**Fined by Mayor McNamara—Barberton News Notes.**

(Special Correspondence.)

Barberton, Aug. 18.—There was a lively time at the La Forest restaurant on Second st. at 11 o'clock Friday night. The proprietor, H. Hettinger, who came here from Congress, O., smashed in a door, which had been locked by some of the young ladies employed by him. It is alleged he had frightened them once before. Some one gave the alarm, and in a few minutes a number of men had congregated. He chased the on-lookers with a meat ax, which was finally taken away from him by Pat Horten. Another man relieved him of a revolver.

From time to time there have been stories published to the effect that the Kirkham Tile works would be rebuilt. Today it was learned from an authentic source that the works will not be rebuilt. At least at the present time there are no plans in that direction.

The White House on Tuscarawas ave., was damaged about \$25 by fire at 10:15 o'clock today. The fire started from the cooking stove in the kitchen. The property is owned by Wm. White, and leased by Harry A. Snow. When the alarm of fire was sounded, the tapper of the fire bell, became loose and fell to the ground. Afterwards it was replaced and worked much better than before.

John Rodgers was fined \$5 and costs by Mayor McNamara for disorderly conduct. He engaged in a fight with Thos. Laven at Gossman's boarding house on Range st.

Ammerman & Davies have sold houses and lots on Wunderlick ave. to Edwin King and Peter Frey. Robert Force has bought a lake front lot on Sixth st., for \$500. He will erect a \$1,000 residence. Ella Kusse bought a house and lot on Baird ave., for \$1,400. Mr. and Mrs. Joseph E. Funk returned Friday from a two weeks' visit in Pittsburg, with Mr. Funk's sister, who recently returned from China.

The Baughman-Harrier reunion is being held at Lakeside park today. Quite a number from here are in attendance.

Dr. W. B. Mansfield is home again, after a short illness in Cleveland.

The K. of P. will give a lawn festival tonight.

Everything was all right until he presented his bill for the work. It amounted to \$30. This, Mrs. Keeley, believes is excessive. Saturday morning she appeared in Probate court and asked that the attorney be removed and that she be appointed in his place. She said that she had earned all the money with which to purchase the homestead, working over a wash tub while her husband wasted what little he made in drink. The property stands in her late husband's name and is liable for whatever debts he may have contracted. She feels that she cannot afford to pay fees to an attorney to settle up the estate. The court will not make the desired change as it is evident that the attorney has earned all his bill calls for.

**NEW COURT CALENDAR.**  
The calendar for the October term of court is being prepared by the County Clerk. It will contain more cases than that of the previous term.

### AN INSURANCE CASE.

The Merchants' Insurance company has filed an answer to the petition of William H. Hiller, who sued to collect money he claimed was due on a policy which he held in the defendant company. It is admitted that there was a fire and that some of Hiller's property was destroyed. It is alleged that he failed to make a proof of loss within the time specified in the policy and that when he filed a schedule of his loss it was in excess of the true valuation.

### KNOW OF DANGER.

Edward J. Wigley has filed an answer to the petition of Fred Wegmiller, administrator of the estate of Christian Fuchs. Fuchs was killed by a cave in of sand while employed by Wigley Brothers in making an excavation for the Webster, Camp & Lane company addition. In his answer the contractor alleges that Fuchs knew of all the dangers that existed and that if he was injured it was due to carelessness on his own part. It is also alleged that he would not have died from the injuries had it not been that he was suffering from a severe rupture.

### DENIES LIABILITY.

The Cleveland & Pittsburgh Railroad company has filed an answer to the petition for damages filed by John Luenberger, administrator of the estate of Albert Luenberger. The deceased was struck and killed by a train near Macedonia. The company alleges that his death was the result of his own negligence.

### FOR MONEY.

Samuel Sauvain has filed an action against Anna M. Lamb et al. He alleges that he recovered a judgment in a Justice's court for \$28.95. He says that no part of this has been paid. He asks that an order be issued to sell property belonging to the defendant to satisfy his claim.

## WORD

**Received at Falls**

**Concerning Missionary Osgood.**

**No Trouble In the Yaugtse Valley.**

**Falls Workingman Was Badly Hurt.**

**Camp Forget-Me-Not Has Left the Hut.**

(Special Correspondence.)

Cuyahoga Falls, Aug. 18.—Rev. C. B. Osgood has received a letter from his brother, Dr. E. S. Osgood, sent from Nankin, China, June 14.

Dr. Osgood said he did not apprehend any trouble in the Yaugtse valley. The viceroys there, he says, are really in rebellion against the viceroys in Peking, and any attempt to slaughter the foreigners in the Yaugtse valley would be met with strong opposition. He further said, that at the time the letter was written, their had been nobody killed in that vicinity.

As was stated last week Dr. Osgood and family are now safe at Shanghai. They are all in good health.

Wm. Hallie, an employee at the E. A. Henry Wire works, was severely injured yesterday noon. His left arm was wound up in a coil of wire, fracturing it in two places. He was also cut quite badly by the wire. He suffered excruciating pain. He came here sometime ago from Anderson, Ind.

Camp Forget Me Not, composed of 12 Youngstown and two Cuyahoga Falls young ladies, who have occupied the log cabin at the southern end of Silver lake park for two weeks, broke camp today, after one continuous round of pleasure. Those in the camp were the Misses Sadie Clark, Florence Garwood, Elizabeth Yates, Beth and Anna Williams, Madge Thompson, Alie Huber, Emma Ludy, Hallie Hall, Allie Park, Flora Reitzell, Gertrude Crum, Mary Bracker and Gertrude Tonleah, of Youngstown and Misses Bertha and Alice Price of Cuyahoga Falls.

The steam roller was put to work on the Front st. paving job yesterday, and today the laying of brick on the east side of the street was commenced.

The Misses Agnes and Florence Wadsworth entertained friends Thursday evening in honor of their guest, Miss Woodard.

Miss Eva Lowe has taken a position as operator for the Central Union Telephone company.

Mrs. Arthur Higgs and daughter, Miss Mable, left Friday afternoon for Detroit, where they meet Mr. Higgs, and visit relatives for about a week.

Miss Florence Lawson is visiting her sister, Mrs. Geo. Watt, at Steubenville.

Dr. and Mrs. J. W. Wilson are visiting at Chautauqua.

Miss Bessie Warwick, of Warren, is visiting her cousin, Miss Bessie Post.
